

## **AGENDA**

### ***Workshop "Local Circular Potential: Plastic Waste, Bio-based Streams and Electric Vehicle Batteries"***

Date: 20.06.2023

Time: 9:30 -15:00

Venue: Warsaw, ul. Rektorska 4 (building of Warsaw University of Technology)

Registration: <https://forms.gle/3PHip8CEyXSP23wLA>

More information: <https://www.innowo.org/workshop-local-circular-potential>

#### Workshop agenda

9:30-10:00	Registration and coffee
10:00-10:30	Introduction ( <i>Anna Tenhunen-Lunkka, project coordinator, VTT</i> ) <ul style="list-style-type: none"><li>• Purpose of the workshop,</li><li>• TREASoURcE in a nutshell</li><li>• European Commission's Circular Cities and Regions Initiative: CCRI and funding opportunities for regional circular economy</li><li>• Practicalities of the workshop</li></ul>
10:30-10:50	Circularity Gap Report Poland ( <i>Agnieszka Sznyk, INNOWO</i> )
10:50-11:00	Coffee break
11:00-12:00	Parallel workshop sessions: <ul style="list-style-type: none"><li>• Plastic waste recycling</li><li>• Electric vehicle batteries as stationary energy storage systems</li><li>• Utilization of bio-based side and waste streams for biogas and composting</li></ul> <p>Introduction to demonstrations</p> <p>Discussion on possibility and mapping activity on demonstrations and replication – potential, interest, needs, challenges</p>
12:00-13:00	Lunch
13:00-14.30	Parallel workshop sessions continue
14:30-15:00	Wrap up and conclusions
